Speldhurst and Bidborough is a daft ward. No-one travels regularly north-south to the neighbouring villages - everyone moves west! Bidborough residents nip along Bidborough Ridge to Southborough for activities, and late night shopping, Speldhurst residents run west into Tunbridge Wells via the Speldhurst Road or Rusthall, and Langton and Ashurst residents move West into the South side of Tunbridge Wells. I am keen to have fewer councillors, and for the Ward to be split into 3 and merged with its western ward-neighbours.
