

## Castle Point Borough Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

the number of councilors for st George's is 3 whereas Canvey island west is only 2, both are forecast to have populations within 30 of each other, so this is biased towards this area. given the planned development of the 'Dutch Village' scheme, the forecast for Canvey West is low.
