### Comment text:

I would like to object to the Telford and Wrekin Council proposals to split the community of Horsehay into two different parishes. On reading the commission guidelines one the priorities is to protect existing communities and the proposals as outlined in the council proposals takes the long established community of Horsehay and cuts it in two. In fact the area s known as Horsehay Pool, Horsehay Common, Horsehay Village Hall will no longer be in Horsehay under these proposals. There is a counter proposal from on of the local Parish Councillors, Cllr Hopkins that gives a much better option, keep Horsehay all in one parish, keeps parishes within the population guidelines and seems to be a much better option.
