### Comment text:

I oppose Priorslee being removed from Telford borough area and added to Shifnal or Newport etc. The Council only wants to do this to manipulate votes. They say that Priorslee has more to do with Shifnal, however of further note is that the bus from Priorslee to Shifnal is now cancelled. The distance to Telford Town Centre is 1.6 miles, to Shifnal is 3.3 miles across a motorway junction and to Newport is 7.2 miles.
