The proposal for the Drakes Broughton ward takes in Peopleton. I wish to register my strong objection to including Peopleton in this ward. We are a smaller village which has retained its local village `feel` and identity. This is far more in keeping with other smaller villages such as Crowle, White Ladies and Upton Snodsbury. Drakes Broughton is developing into a `small town` with whom we have little in common. It would make far more sense to make the boundary between the two wards the main A44 road. As it stands Peopleton looks like an `appendage` rather than an integral part of the Whittington and Upton Snodsbury ward which is where it should be. Furthermore the move to Drakes Broughton would mean the loss of our excellent councillor Linda Robinson who knows the area well and is fully in tune with the issues affecting Peopleton. I shall be most grateful if you would give these arguments full consideration and act accordingly by including Peopleton in the Whittington / Upton Snodssbury boundary NOT DB. Thank you.
