I consider the proposal to put Peopleton into a ward with Drakes Broughton a poor one. Peopleton is a small village with a rural identity and issues in common with Upton Snodsbury, White Ladies Aston and Churchill. Our children go to First Schools in Upton Snodsbury or Pinvin and adjoining villages share in community activities. If Peopleton joins with Drakes Broughton it will be in competition for resources, Councillors' time and will lose out as Drakes Broughton expends.
