

Wychavon District Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

Wychavon should not have a Redditch MP, there is no connection with the conurbation. Unfortunately we have in recent years had an MP who stands for the Redditch conurbation and who has repeatedly shown absolutely no interest in the surrounding Wychavon villages and their vastly different rural way of life. Redditch borough has more affinity with the areas closer to Birmingham which still remain in Worcestershire .
