### Comment text:

Moor Road Prudhoe (South) At the very top of this road where it meets Engine road the Prudhoe South ward meets the South Tynedale ward, There are two dwellings located there and are in the South Tynedale ward, but the access to them is through Prudhoe south on Moor Road, I recommend that these are transferred into the Prudhoe South ward, Plus Bungalow Park Glen, Hagg Bank, Prudhoe, Wylam NE41 8JX is in the Prudhoe North ward, Since the last Boundary changes were made a bypass has been built and the above bungalow is now remote from Prudhoe North I recommend that this is transferred into the Bywell ward.
