Comment text:

Sutton Upon Tern Parish Council agreed at their meeting on the 25th January to register their wish to continue as part of the Cheswardine division. The rural aspect and nature of ours and the other parishes in Cheswardine division is a strength and works well. Whilst there is a proximity to Market Drayton Town we wish to register our strong belief to maintain our separation given the nature of the parish and the protected area of the Tern Valley and Pell Wall area of our Parish that borders the town.
