

# NORTH HERTFORDSHIRE

May 2023

## NEW ELECTORAL ARRANGEMENTS

### Currently there are:

- 49 councillors
- 24 wards
- Eight three-councillor wards, nine two-councillor wards and seven one-councillor wards

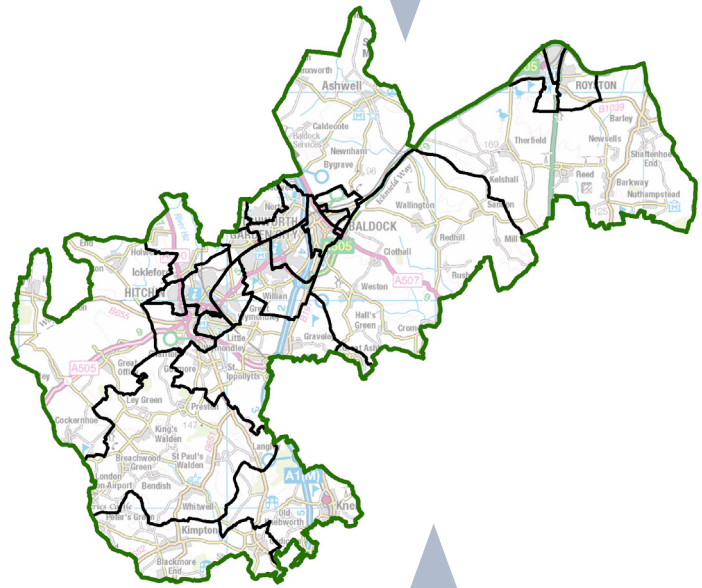

### From elections in 2024:

- 51 councillors
- 25 wards
- Six three-councillor wards, 14 two-councillor wards and five one-councillor wards

135 residents and organisations  
helped shape our recommendations

We aim to make sure North  
Hertfordshire councillors represent  
a similar number of electors

### Currently there are:

- Five wards that are more than 10% away from the average number of electors per ward
- One ward that is more than 20% away from the average

### North Hertfordshire will move towards:

- One ward being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 2,210 electors
