

STAFFORDSHIRE

August 2023

Currently there are:

- 62 councillors
- 60 divisions
- 58 single member divisions, 2 two-member divisions

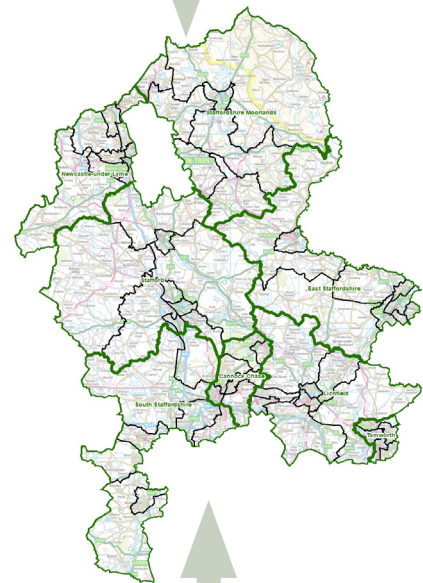

We are proposing:

- 62 councillors
- 62 divisions
- 1 councillor per division

A public consultation is open until
16 October

We aim to make sure Staffordshire
councillors represent a similar
number of electors

Currently there are:

- Four divisions that are more than 10% away from the average number of electors per ward
- Zero divisions that are more than 30% away from the average number of electors per ward

Our proposals mean that:

- Four divisions will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 10,744 electors
