I disagree with these propoals as it fails to address an anomoly with the boundary for Llanymynech and Pant PC. The hamlet of Crickheath is currently in the Oswestry Rural PC boundary but we are physically just up the road from Pant. Pand and Llanymynech are our closest local areas and it is here we feel part of, not Oswestry Rural which is centered some 6 or 7 miles away. We feel we have no PC representation as a result and would like to see the boundary moved from Long Lane to the B4396 between Long Lane and the boundary with Knocking PC.

With the exception of Crickheath few other properties are impacted by this change.

Please see attached file.

Kind Regards
