Comment text:

Dear review committee

I didn't respond initially as I considered as I considered my ward of St Martins a good size, whilst I recognise by 2028 it will have grown, This is because both myself and my parish councils have welcomed growth, I do believe it to be essential to have strong parish councils To achieve a good working relationship with the community and unitary councillor, which we do have, I can see where your coming from with the new boundary it's a very rural area, I also understand you were wanting single councillor Wards, I do think my current ward is very manageable, but I accept your suggestion on how you have divided this up. Well done.
