The boundary for Pallion and Millfield ward cuts down the middle of Eastmoor Road SR4 6QW. This means that half of a street including a local shopping terrace are part of a different Ward and within the Council a different area. Pallion Ward is West Area and Millfield ward is East Area. The boundary for East and West should be looked at as well as the boundary for Millfield and Pallion ward. It would make more sense to have Rutland Street the boundary and included the rest of St Lukes Terrace, Brady Street, Orchard Street, Martin Terrace and so forth in the Pallion Ward. Also to have the cut off for Pallion Ward all the way along St Lukes Road
