Comment text:

Hello

The Town Council would like to make the following comments;

If the electoral commission decide to go back to single member wards Alfreton Town Council's preferred option would be to return to a division containing Alfreton and Swanwick.

If the electoral commission prefer another single ward configuration, we would wish to maintain the status quo of a two member division.

Our reason being all of the other potential options would mean the breaking up of natural communities.

Tina Crookes
Town Clerk
Alfreton Town Council
