

## Registration of Interests Form

Commissioners, the Independent Member to the Audit Committee, the Chief Executive and Directors, are required to register any external, financial or political interests, or any local authority membership or employment, along with any other business or personal interests which have a connection to their responsibilities at the Commission.

**External Interests:** Integrity and public confidence in the work of the Commission is of high importance. The Commission must be able to demonstrate fairness, impartiality and transparency in its decision making. It is therefore important that the Commission observes the highest standards of probity in its own practices. Please list here any external interests (during the previous or current year) for you, or any close family member<sup>1</sup> or close associate<sup>2</sup>, which may have a connection to your responsibilities to the Commission. In the interests of transparency, include any paid and unpaid external appointments (such as your main job if you have one), consultancy, trusteeships, directorships, advisory and voluntary roles, even if they do not seem likely to give rise to a lack of integrity or breach of public confidence. You must register any current financial or other business or personal interests which may have a connection to your responsibilities. Please give the name of the body and its principal activity.

You are asked to report within a month any change to the information you have provided.
